Item 8.01. Other Events.

Disposition of Land in Abaco, the Bahamas

As previously disclosed in a Quarterly Report filed April 29, 2014, a subsidiary of Marriott Vacations Worldwide Corporation (the “Company”) entered into an agreement to sell undeveloped and partially developed land, an operating golf course, spa and clubhouse and related facilities, in Abaco, the Bahamas (the “Abaco Property”). On December 11, 2014, pursuant to a purchase and sale agreement (the “Abaco Purchase and Sale Agreement”) between the seller, The Abaco Club RC, Ltd. (the “Abaco Seller”), and Abaco Club Investments, LLC (the “Abaco Buyer”), the Abaco Buyer purchased the Abaco Property for a purchase price of approximately \$10 million in cash (the “Abaco Transaction”). Upon the closing of the Abaco Transaction, all claims asserted against the Company in the previously disclosed matter initiated in June 2013 by owners of 35 residences and lots at The Abaco Club were dismissed with prejudice. The Company expects to record a non-cash loss of approximately \$24 million in the fourth quarter of 2014 related to the completion of the Abaco Transaction and settlement of this litigation.

Disposition of Land in Kauai, Hawaii

As previously disclosed in a Current Report filed April 29, 2014, two subsidiaries of the Company entered into an agreement to sell undeveloped and partially developed land, an operating golf course and related assets in Kauai, Hawaii (the “Kauai Property”). Pursuant to a purchase and sale agreement (the “Kauai Purchase and Sale Agreement”) between the sellers, Kauai Lagoons LLC and MORI Golf (Kauai), LLC (the “Kauai Sellers”) and Tower Development Inc. and Lifestyle Retail Properties LLC (the “Kauai Buyers”), the Kauai Sellers agreed to sell the Kauai Property to the Kauai Buyers for a purchase price of \$60 million in cash (the “Kauai Transaction”).

On December 31, 2014, pursuant to a subsequent modification to the Kauai Purchase and Sale Agreement, the Kauai Buyers purchased a portion of the Kauai Property for a purchase price of \$40 million in cash and agreed to purchase the remaining portion of the Kauai Property (the “Remaining Property”) for \$20 million in cash no later than April 30, 2015, unless the Kauai Buyers and the Kauai Sellers mutually agree prior to March 31, 2015 to enter into an “alternative arrangement” regarding the Remaining Property. The Company expects to record a gain of \$3 million in the fourth quarter of 2014 as a result of the completion of this first portion of the Kauai Transaction.

If the Kauai Buyers and the Kauai Sellers fail to enter into an “alternative arrangement” regarding the Remaining Property on or before March 31, 2015, then the Kauai Buyers will be obligated to acquire the Remaining Property on the terms described above and the Company would record an additional gain at that time. An “alternative arrangement” means any arrangement in lieu of the acquisition of the Remaining Property by the Kauai Buyers as contemplated by the Kauai Purchase and Sale Agreement, including, without limitation, an arrangement under which the Kauai Buyers would develop timeshare units on the Remaining Property and the Company would purchase the completed timeshare units on a turn-key basis at agreed upon terms.
