

## MARRIOTT VACATION CLUB ANNOUNCES RESERVATIONS START FOR PROPOSED NEW RESORT IN COSTA RICA

**ORLANDO, Fla.** – November 23, 2020 – Marriott Vacation Club — a global industry leader in Vacation Ownership and brand of Marriott Vacations Worldwide (NYSE: VAC) — announced today that reservations will commence for its proposed resort in Costa Rica, Marriott Vacation Club at Los Sueños, for occupancy in January 2021. This resort will be the first in Central America for Marriott Vacation Club and will offer 24 spacious two-bedroom lock-off villas. The villas are located within the exclusive, 1,110-acre, master planned community of Los Sueños Resort and Marina and within the Los Sueños Marriott Ocean & Golf Resort complex. Marriott Vacation Club at Los Sueños is expected to be available through the Marriott Vacation Club Destinations Exchange Program as an exchange option and also to be available for guest rentals through [MarriottVacationClub.com](https://www.marriottvacationclub.com). Timeshare sales for Marriott Vacation Club at Los Sueños are planned to launch in January 2021.

“We are excited to offer the highly sought-after destination of Costa Rica to our Owners and guests,” said Brian Miller, president of Vacation Ownership, Marriott Vacations Worldwide. “The villas at this stunning resort will provide the comforts of home with authentic architectural touches that bring the rejuvenating landscape of the region indoors. Additionally, in early spring we plan to debut an innovative sales gallery concept that uniquely complements the area’s natural surroundings while also delivering another important sales distribution center to support our growth strategy.”

Marriott Vacation Club Owners and guests will enjoy access to amenities found at the Los Sueños Marriott Ocean & Golf Resort, including an expansive free-form pool that winds through the resort, a sprawling beach, the Sibö Rainforest Spa & Retreat, illuminated tennis courts, mini golf, the Tortuga Kids Club, and five restaurants, including Hacienda Kitchen that showcases the traditional flavors of Costa Rica. Also located within the Los Sueños Resort and Marina is the La Iguana Golf Club, an 18-hole championship golf course nestled among the tropical landscape of the lush Green Coast and the blue waters of the Pacific Ocean. For Owners and guests who want to explore the welcoming local culture and shopping options, the Marina Village features a 200-slip marina, waterfront restaurants, shops, and services all within walking distance of Marriott Vacation Club at Los Sueños.

And for Owners and guests who want to experience a true Costa Rican vacation, unforgettable adventures await. Whether it’s exploring nearby Jaco — an energetic beach town known for its outstanding surfing, restaurants, bars, and boutique shopping — or marveling in the natural beauty of Manuel Antonio National Park — with its beaches, casual forest trails, and dense rainforests — each family member will cherish the memories of this ideal vacation experience. And for those looking for the perfect catch, renowned sport fishing is just a few minutes away. The nearby coastline is home to some of the best offshore marlin fishing in the world.

The resort is being developed by a partnership of CPG Hospitality and Enjoy Group, two of the leading hospitality investment and management companies in the region, which also own the Los Sueños Marriott Ocean & Golf Resort. This affiliation and occupancy are subject to Marriott Vacation Club completing the purchase of the new resort from CPG Hospitality and Enjoy Group.
